COMMENTS

The Appeal Brief filed on May 21, 2007 was deemed defective, as the Office asserts that the brief does not contain the summary of claimed subject matter referring to claims on appeal explicitly to the specification by page, and line numbers and to the drawings if any. In response to the Notice of Non-Compliant Appeal Brief mailed May 15, 2009, Applicants submit the attached revised the summary of claimed subject matter.

Respectfully submitted,

June 13, 2009
